TECHNICAL EXPERTISE

All sales staff are fully trained to be conversant with modern construction materials, and we specialise in sourcing non-standard or specified products.

DIRECT TO SITE SERVICE

In addition to ex-store deliveries, we can also arrange bulk ex-factory deliveries on items.

DELIVERIES

We deliver throughout West Central Scotland as well as our national distribution network. All trucks are tracked and are contactable by mobile phone. We also operate an electronic journey planner enabling us to estimate delivery times. You will receive regular text messages on the day of your delivery keeping you up to date with the progress and ETA.

Crane offload service is available.

DESIGN TAKE OFF SERVICE

We can assist with design and take offs for certain product ranges including roofs, staircases and more.

ADMINISTRATION

A credit account with Build Depot means that all invoices are subject to 30 days credit from the month of purchase. A statement is issued each month detailing every invoice and advising you of the total amount due.

Please complete **all parts** of the following application form, and return it to our office **with a company letterhead**.

We aim to process your application within 7-10 days.
